STATE

SUBJECT: CIVAIR: Negotiating Instructions

1. Pouching instructions signed today based on CAB recommendations in letter dated April 10, amplified to cover following pointer developed in staff discussions:

A) Routes: Seek to add Cambodia to US route schedule and to delete asterisks and footnote from schedule. Open intermediates on routes of both sides acceptable.

B) 747 services: While we cannot consider predetermination of 747 frequencies, we might meet Italian concerns this subject by offering to make known 747 plans well in advance during transitional period.

C) If in course of negotiations you consider an otherwise acceptable agreement could be obtained by certain modifications, discussed recently at staff level, to Board's recommended position, you should report recommendations to Department. Modifications might include:

1. Multiple designation formula in which US would obtain unlimited rights for existing carriers to operate from any point in US in exchange for which we would accept a priori consultations should we decide

in future to designate new carrier.

2. All-cargo formula under which special period with specified levels of all-cargo frequencies would be followed by equal period with no capacity limitations after which consultations would be held to determine permanent regime.
